

Make your own Unicorn Crown

Main unicorn crown part

Right side part

Glue Here

Left side part

Glue Here

5 easy steps to get your unicorn crown done

1. print the crown on standard A4 paper or card
2. colour the parts
3. cut out all the parts
4. glue both left and right side panels to the main unicorn crown part
5. adjust the necessary size of the Crown to fit head. Cut off any excess and glue both ends together.
